TO WHOM IT MAY CONCERN

It is certified that I have personally visited school buildings of "*SD Senior Sec. School, Sector: 24C, Chandigarh*", along with the schools representative "Mr Vishal". The building is constructed in two blocks (A) Block-1 KG wing constructed upto Double storey and (B) Block-2 (Higher wing) constructed upto Double storey in the school complex.

On inspection it has been observed that the building is Structurally Sound and stable and there is no deflection crack or any type of deformation in the Structure. The foundations of building were got checked after excavation and Rebound hammer was used for checking the quality of concrete of Columns, Beams and slab.

On the visual inspection there were no major structural/deflection cracks observed. As on date the buildings is fit for running an educational institute, provided it is properly maintained. This certificate is valid for a period of one year.
